Resolved by the House of Delegates of Virginia, the Senate concurring, That we felicitate the Legislature of North Carolina upon the auspicious circumstances under which it has assembled and extend to it our cordial good wishes for the success of its labors and the assurance of our continued affectionate interest in the permanent prosperity of our neighboring sister Commonwealth.

Agreed to January 14, 1915. JOHN W. WILLIAMS,
Clerk House of Delegates of Virginia.

Read in the House, and on motion of Mr. Roberts of Buncombe the following committee appointed to answer: Messrs. Roberts, Doughton, Mason.

A message is received from his Excellency, Governor Craig, transmitting the following:

BOARD OF INTERNAL IMPROVEMENTS,
STATE OF NORTH CAROLINA,
RALEIGH, N. C., January 14, 1915.

His Excellency, LOCKE CRAIG,
Governor of North Carolina.

DEAR SIR:—The Wilkesboro and Jefferson Turnpike Company is advertised to be sold on the 18th instant, to satisfy a judgment.

We hand you herewith copy of our detail audit of this company. The State owns $63,810 worth of its capital stock.

The notes outstanding against the company, which have been reduced to judgment, amount to $7,000. From our audit and report of the company we attach but little importance to the value of this stock. As the right of way for some future construction, it may have some value at some time.

Since the turnpike company is a corporation, and the State owns a good part of its capital stock, it is necessary for the Legislature to take immediate action, if they desire to protect their interest.

Respectfully submitted,
(Signed) ALEXANDER WEBB,
G. W. MONTCASTLE,
Directors.

NOTICE.

C., said turnpike running from North Wilkesboro, N. C., to Jefferson, N. To the Members of the General Assembly:

The undersigned members of the subcommittee of the Finance Committee of the Senate and House of Representatives, appointed to look into the criticisms of the Treasurer's office by the Board of Internal Improvements, beg to say that they have examined and considered the matter, and they find that the Treasurer's office has been managed with fidelity and efficiency and that under the statutes it was the Treasurer's duty to keep the funds separate.

We concur with the suggestion of the Board of Internal Improvements that the State Treasurer should be authorized by law to require interest upon monthly balances, and we further concur in the opinion of said board that the State should provide bond for the State Treasurer in a surety company or companies, and that the premium should be paid from the State funds. These have been remedied by statute.

Respectfully submitted,
A. D. Ward,
Mark Majette,
T. C. Bowie,
J. C. M. Vann.

On motion of Mr. Davis, the House takes a recess until 4 o'clock this p. m.

AFTERNOON SESSION.

The House meets pursuant to recess and is called to order by Mr. Speaker Bowie.

Resuming consideration of business, Mr. Leonard sends forward the following protest, which is ordered spread on the Journal:

I hereby enter my protest to the appointment of the two members of the board of education for Davidson County. I have no criticisms to offer of the two gentlemen appointed, except to say that they are not the choice of the people of Davidson County. The failure of my county to press forward and to take the place it so well deserves is due to the fact that peanut politics becomes injected into every move toward advancement. This is especially so with reference to the appointment and control of the board of education. The day is not far distant when the people will rise in their might and put to an end forever the existing methods by which the appointment and control of our boards of education are placed principally in the hands of one man in each county.

C. H. B. Leonard.

Raleigh, N. C., March 9, 1915.

Mr. Valentine sends forward the following protest, which is ordered spread on the Journal:

In the exercise of my constitutional right, I do protest against the passage of the bill appointing members of the county boards of education. It is unfair and undemocratic that such appointments should be made (as in Henderson County) in direct violation and disregard of the wishes of a vast majority of the people concerned. It is an indignity which free people cannot and will not endure without a protest; and in the name of the people of my county, who are the equals of the people of any county of the State, I enter my earnest protest against this indignity.

The man who has been appointed in my county is a good man and my personal friend; but he is not the choice of the people of my county, and it is everlastingly wrong that he should be appointed.

I ask that this protest be spread upon the Journal.

G. H. Valentine,
Representative from Henderson County.
